

TECHNICAL FABRIC DETAILS

BARBARA

Barbara is inspired by one of the most beautiful gardens in the city of Braga. It is in the balance of geometry and the randomness of colors from flowers, vegetation and birds that we have designed this impressive and modern fabric.

With a width of 138cm, this fabric with a mixture of viscose and linen at its base, coordinates with a surprising bouclé embroidery

Article specification

Width	138 cm
Horizontal repeat cm	64 cm
Vertical repeat cm	58 cm
Composition	36% COT 30% ÇPOL 17%VISC 17% LI
Weight	585 gr/ml
Thickness (mm)
